| # of children receiving education in total  | 2673        | 2981        | 3467        | 3875        | 4294        |       |

Notes:

- 1 - Children living in a VOH Children's Home who are considered under the legal adult age.
- 2 - Youth considered as adults by law, but still in school and living in a VOH funded home for youth.
- 3 - Including community children who are paying a minimal fee and children attending other schools but VOH pays the fees.
- 4 - Students who are not considered at-risk and pay a fee to take advantage of VOH-A school
- 5 - With some small variances, children in the feeding program are generally also receiving free education.
- 6 - This includes university, college, and trade schools.
- 7 - A VOH funded Youth Empowerment Program (Y.E.P).
